<b>Defendant.</b>	<b>)</b>	

The Court has received the Presentence Investigation Report (“PSR”). The parties have not objected to the PSR. The Defendant has filed a sentencing memorandum which includes objections to the recommended special conditions of supervised release (Filing No. 76). See Order on Sentencing Schedule, ¶ 6. Accordingly,

2. If **any** party wishes to challenge these tentative findings, the party shall immediately file in the court file and serve upon opposing counsel and the Court a motion challenging these tentative findings, supported by (a) such evidentiary materials as are required (giving due regard to the requirements of the local rules of practice respecting the submission of evidentiary materials), (b) a brief as to the law, and (c) if an evidentiary hearing is requested, a statement describing why an evidentiary hearing is necessary and an estimated length of time for the hearing;

3. Absent submission of the information required by paragraph 2 of this Order, these tentative findings are final;
4. The Defendant's Sentencing Memorandum and Objections to Recommended Special Conditions of Supervised Release (Filing No. 76) will be heard at sentencing; and
